Cornhole Resumes

Cornhole will start back up Wednesday May 1 at 1pm.

We need to have at least 4

people in order to have this activity and the sign up sheet is on the board. Don't know how to play? That's OK it is quick and easy to learn.

Referral Drive

We currently have 8 new members in 2019. We will continue with the referral program in 2019 but referrals have slowed down. Remember, membership starts at age 50.

Silver Sneakers

We will be having an open house with Silver Sneakers on Thursday May 2 at 11am. They will have refreshments available. We are seeing if there would be an interest in having them do some exercise programs here. Check your insurance plan to see if you have Silver Sneakers benefits. If you do, any classes we have here would be free to you. Don't have Silver Sneakers? That's OK, you would still be able to attend a class with a very small fee (usually a couple dollars). The event May 2 is free so come out and see what it is all about. Sign up sheet is on the bulletin board.

Day Trip

The May Day Trip will be to the Krohn Conservatory in Cincinnati. They currently have their butterfly exhibit. Cost is \$6 to get in but we must have 10-15 people (The bus will hold 10). We will leave at 9AM to go eat at Frisch's on Towne Boulevard and will leave there at 10:15 in order to be at the Conservatory at 11:15am. Sign up sheet on the board

Extended hours

Reminder: We will have extended hours with Euchre and other games from 4-6pm on Tuesdays. We will continue to try this for the month of May to see if participation continues. Don't play Euchre? That's OK. We have other board games a second group plays! Come try it out!
