## NEW NEWS

### **We will be closed on Thanksgiving Day and Friday (Nov. 25-26, 2021)**

Starting November 1<sup>st</sup> until November 12<sup>th</sup>, come to the center to place nominee names in the election box for 2022 Advisory Board new members. We will be voting on the newest six members the first week of December.

As the weather gets colder the chances of snow and ice increase. As a reminder we follow the same delays as Franklin City Schools and if the schools are closed we open at 10am. If the weather stays hazardous throughout the day we may completely close. Keep an eye out on the local weather TV station for notifications.

**SPOTLIGHT ON:**

***Will Lapp***

Will was born on August 8, 1943 in Coshocton, OH. He comes to the Center most mornings to keep Charlene Newman in line and to prepare taxes for AARP.

He has been a volunteer through AARP since 2003. His recent role 2015-2021 was State Coordinator. Before spending his time volunteering he actually had a paying job at MEAD. He worked there for 32 years with his Chemical Environmental Engineering degree.

Will's hero is his wife, Kathy. She somehow manages to keep him happy AND out of trouble. For this, she is Charlene's hero as well.

Will enjoys watching all the NCIS shows as well as Ancient Aliens. He likes to take his favorite people to White Castle as he claims it's his favorite food. His favorite song is "Onward Christian Soldiers" and his favorite book(s) are the Jack Reacher books by Lee Child.

Will wants us to know he appreciates the "friendly" folks at Deardoff, the rest of us... well you win some and lose some!

May you and yours have a wonderful, love-filled holiday season.

Deardoff has been blessed with a LARGE donation of acrylic yarn and crochet thread. If you would like, you may go through it and take what you can use!
