Giving Opportunity:

Deardoff Senior Center will serve as a drop-off location for school supplies. Atara Youth, a new, non-profit organization in Franklin focused on providing resources for teens in the community is holding a "fundraiser". This will last the entire month of April. Atara Youth was started by a Franklin High School graduate with hopes of creating a safe, fun space for the teens of our community. If you would like to participate in this fundraiser, there is a posted list of supplies needed on the bulletin board.

SPOTLIGHT ON...

JAN TRUESDELL

Jan was born in Cincinnati, OH on
July 6th.

Interesting facts about her is that she
likes to play golf and Jan spends
countless hours volunteering her time
and talents to her church and
community.

Jan doesn't have a favorite book as
they are all good and she likes to treat
each one as an adventure.

Jan's hero is her mom because they
are very much alike, she taught her to
give to her church and community.
Jan's favorite food is Chocolate Chip
Cookies. Her favorite TV show is
Sheldon Neighbors and
her favorite song is "What a Friend We
Have in Jesus".

Jan's favorite thing about the
Deardoff Senior Center is the people
and friends she has met.

"In giving of yourself, you will
discover a whole new life full of
meaning and love."

~Cesar Chavez
