**Ladies and gentlemen:**

**I am asking that you**

**PLEASE take a moment to look  
around before you leave the center  
and pick up after yourselves. The  
bathrooms and the activity rooms  
have been left in terrible conditions  
lately.**

**Health and safety are our concerns  
and we need YOU to help.**

**As embarrassing as accidents may  
seem, PLEASE talk to me so that I  
can get things properly taken care of.**
